

Backsen brings a revived vision to Bonanzaville

By Amanda Gades

Good things are happening at Bonanzaville. The rigorous undertakings are being lead by recently hired executive director Steve Backsen.

"When the executive director position came open, I expressed an interest in it because I feel there is quite a bit of potential we have not tapped into. I hope I can move us in the right direction," said Backsen, who started in mid-March.

He served on the board of directors for two years prior to taking the reins at Bonanzaville.

He has a long history of working with non-profit organizations in the county. These include: director of the Great Plains Food Bank and Island Park Activity Center, campaign director for United Way of Cass-Clay and director of the Fargo Public Schools development foundation.

Engaging the community

As Backsen focuses on fulfilling Bonanzaville's mission to preserve and celebrate the rich cultural heritage, he knows there is one public perception that needs to be overcome to get more local people on board.

"People say 'I was at Bonanzaville 20 years ago, what's changed?'"

While the pioneer village has remained pretty constant over the years, Backsen believes a great way to draw people is regular rotation of exhibits in the main museum. Military memorabilia and A Dirty Thirties exhibit opened the end of May.

"We want to engage the community. We want people to think of Bonanzaville as a place they would come to many times a year, not just once a year for Pioneer Days."

The Lucien C. Barnes Pavilion

Long-time Fargo area resident Lucien C. Barnes was a loyal supporter of Bonanzaville. He donated half-a-million dollars with a challenge to the general membership to match that. Upon the match, he gave an additional \$500,000 gift.

The funding will be used to construct the Lucien C. Barnes Pavilion, which will be located to the east of the main museum. "This will be one of the biggest, if not the biggest building projects out here," stated Backsen.

The 26,600-square-foot building will have exhibit space, an area for receptions and events, rooms for docents and volunteers to change and a classroom. The new building will

require moving the Arthur Town Hall farther east and relocating the Katherine Depot to near the water tower.

A design of the building was completed by Julie Rokke with YHR Partners, Moorhead, Minn. The goal is for construction to begin this summer according to Backsen.

The project is 10 years in the making. It was put on hold because of the 2013 Main Avenue construction project.

"At one time, the thought was to move the main entrance to the east side of the Bonanzaville property," said Backsen.

Main Avenue plans have been finalized and the Highway Department has assured Bonanzaville that visitors traveling east or west will have access to the historical site.

Bonanzaville will also lose a portion of their parking lot. But, they plan on turning 'lemons into lemonade' by enhancing the parking area to make it even more attractive.

The adopt-a-building program

Several of the 40 buildings at Bonanzaville have been adopted, but there are still some in need of a group to serve as caretakers including the Land Office Bank.

Backsen plans on speaking with service groups and individuals about partnering with Bonanzaville. Responsibilities for an adopter include maintaining the building, getting it ready for the summer season and helping with events.

Creating a long-term funding source

Backsen is taking a proactive approach on fundraising to create a stable income for Bonanzaville.

There are a couple of different efforts going on now. One is in the metro area and one in the rural areas. A committee has been formed to identify individuals to speak to about the mission of Bonanzaville, what is being done to move forward and ways he or she can support the work being done. The committee includes

Photos by Amanda Gades/The Reporter

Steve Backsen served two years on the Bonanzaville USA board of directors prior to being hired as the executive director.

Marie Shield, Bob Jostad, Syl Melroe, Arlen Kalvak and Barb Larson.

An Endowment Fund is also being established.

"This is something to generate funds every year. We are just getting by right now. I want to see us get past that and get more financially stable. I'd like to turn the corner on that and improve our cash flow," said Backsen.

Expand volunteer base

As one generation of volunteers

retires, Bonanzaville looks to bring the next round of volunteers on board.

"A lot of folks have been dedicated Bonanzaville volunteers but we need more. We need the next generation of Bonanzaville volunteers to take their place," said Backsen.

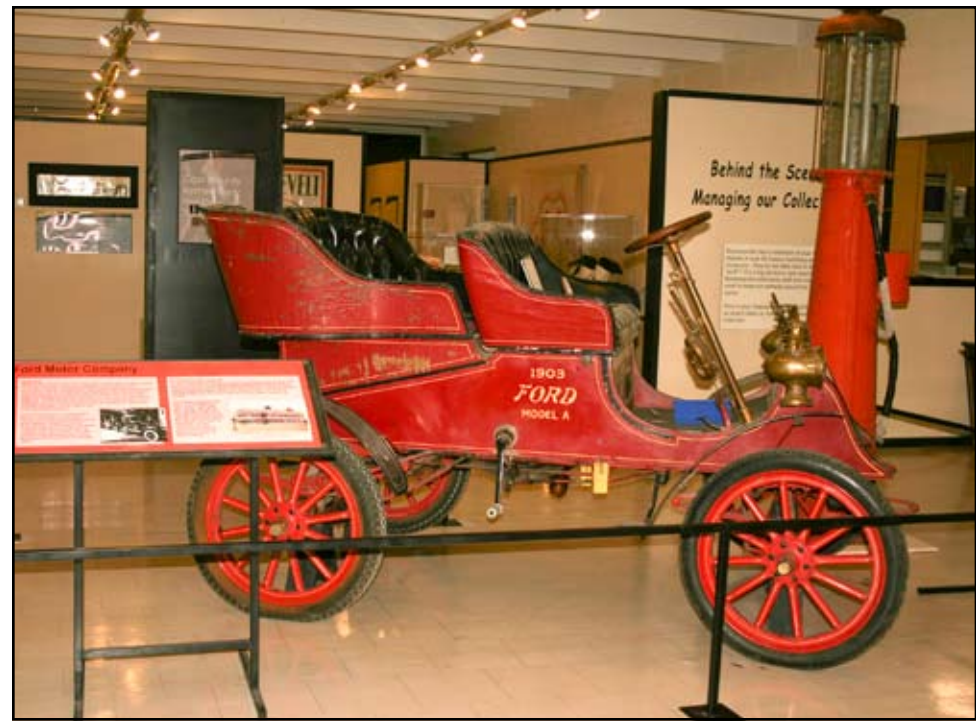

Restoration of Page Hotel

This summer, renovation work on the Brass Rail Saloon and Hotel from Page will begin thanks to a large donation from an area resident.

The late 19th Century building has been closed for about three years.

Upcoming events

The 2010 Bonanzaville summer activities include: the Family Music Festival July 3-4, Fiber Arts Festival July 24-25 and Pioneer Days Aug. 21-22. For more information, call 282-2822 or log on to www.bonanzaville.com.

Cass County Remembers: The Dirty Thirties, military uniforms, rosemead and a Ford Model T are a few of the new displays at the Main Museum at Bonanzaville. Ford Motor Company had an assembly plant at 505 Broadway, Fargo from 1915 until the 1970s, when it was bought by Kaye's Printing.

Tower City Lutheran church celebrates 100 years

By Amanda Gades

Mark Twain died. The Boys Scouts were founded. Mother Theresa was born.

It was the year 1910. It was also the year the first sermon was preached in St. Paul's Lutheran Church.

This 100-year milestone will be celebrated by St. Paul's Lutheran Church June 27.

"This marks 100 years of sharing the gospel," said Cathy Hedmark, pastor of the church.

"This is very special," said Bette Hovelson church secretary.

Activities will include a 10 a.m. worship service, a catered dinner in the community center at noon, kids games at 1 p.m. and a program at 2 p.m. Prayers will be lead by Rev. Terry Brandt, associate with the bishop from the Eastern North Dakota synod office. There will also be a time of counting blessings and celebrating memories. A 100th Anniversary cookbook with recipes from congregation members and a church directory will be available.

A brief history

The church began in 1904 when Pastor E. Zucker held services in Henry Baasch's home. In 1909, a church building was purchased from Dr. Alexander.

On July 21, 1910, the church was granted a charter after Henry Baasch, William Pock and Henry Hinrichs filed the articles of incorporation and Alfred Blaisdell, the North Dakota secretary of state certified the

articles.

In 1948, a building committee began investigating constructing a new facility. The concept was approved May 9, 1948. Easter Sunday, 1949, the first service was held in the new church, the same site used today. In 1952, the congregation voted to become a joint parish with Buffalo Lutheran Church. A large stain glass window in the balcony was installed in 1970. Work on the church parsonage was completed in 2004, the same

year Pastor Cathy started at the church.

Hovelson said one of the other changes in the past years has been installing padded pews along with other cultural changes. "There have been challenges over the years, but we have still managed to stay together by praying together," she said.

Current and past church members, friends and neighbors are welcome to attend the event.

Pastor Cathy Hedmark serves the congregations of St. Paul's Lutheran Church, Tower City and Buffalo Lutheran Church, Buffalo.

Taking stock of leftovers

A bag of turkey scraps may seem an unlikely gift. Sometimes it is those very gifts that can mean the most.

When a friend gave me some turkey scraps this weekend, it was a true gift of gold – gold like the color of homemade stock.

The thought of making stock can seem overwhelming. It does take a little extra effort, but it is well worth it. A good supply of frozen chicken (turkey), beef and or vegetable stocks, enhances even the most basic recipe.

Ina Garten, aka the Barefoot Contessa, uses her homemade stocks in a variety of dishes from soups to main dishes to sauces. In her cookbook, "Back To The Basics," she writes: "Nothing gives soup more flavor than homemade chicken stock. It's easy to make on a day when you're around the house; you throw the ingredients in a big stockpot and just let them simmer away for hours. A good chicken stock is rich with chicken, vegetable and herb flavors and will flavor anything you make with it."

She is exactly right about the mechanics of making a good stock.

Homemade stocks are very forgiving – you can use almost anything you want and the results will be wonderful. Once the pots are simmering, you have plenty of time to take care of a lot of other tasks. Or, time to sit down with a good book – even a good cookbook.

The leftover turkey bits and pieces this weekend, combined with carrots, celery, onion, garlic, some herbs – thyme, rosemary and parsley – and a few other items, made a huge pot of glorious stock. Once it was cool, it went into freezer containers and will be there waiting to be called into a tasty hot pot. Ice cube trays are also great for freezing smaller amounts of stock. Two or three of the cubes can be used when a recipe needs just a little stock.

Whether you use fresh poultry or meat, or leftover 'scraps,' the flavors will add depth to any recipe. A good, basic stock is versatile allowing the use of a variety of vegetables and herbs. Homemade stocks are also a creative way to use those dabs of veggies left from a main dish, or pieces of chicken or other meats. Many people save these odds and ends in the freezer and put them all

together when it is time to make a pot of stock.

Don't wait until someone gives you a bag of 'scraps' – take stock of your pantry and simmer up a pot of gold.

Ina's Chicken Stock
3 5-lb. roasting chicken
3 large yellow onions, unpeeled and quartered
6 carrots, unpeeled and halved
4 celery stalks, with leaves, cut in thirds
4 parsnips, unpeeled and cut in half (opt.)

20 fresh parsley springs
15 fresh thyme sprigs
20 fresh dill sprigs
1 head garlic, unpeeled and cut in half crosswise
2 tbsps. kosher salt
2 tsps. whole black peppercorns

Place chicken, onions, carrots, celery, parsnips, parsley, thyme, dill, garlic, salt and pepper in a 16 to 20-quart stockpot. Add seven quarts of water and bring to a boil over high heat. Skim any foam that comes to the surface. Lower heat and simmer, uncovered for four hours.

Strain the entire contents of the pot through a colander, discarding

the solids. Pack in quart containers and refrigerate. When the stock is cold, remove the surface fat and refrigerate again.

Bobby Flay's Rich Chicken Stock

4 lbs. chicken bones, chopped
3 large Spanish onions, quartered, unpeeled
½ head celery, coarsely chopped
2 large carrots, coarsely chopped
3 tbsps. olive oil
Salt and freshly ground black peppercorns

2 bay leaves
¼ cup whole peppercorns
Small bunch flat-leaf parsley, stems only
6 springs fresh thyme
Preheat oven to 450 degrees.

Combine chicken bones, onions, celery, and carrots in a large roasting pan; toss with oil and season lightly with salt and pepper. Roast until the bones and vegetables are a rich golden brown, about 30 to 40 minutes.

Transfer the bones and vegetables to a large stockpot, add 12 cups cold water, and the remaining ingredients and bring to a boil over high heat. Reduce the heat to

A pot of turkey soup was the end result of a day of stock making.

medium and simmer for four hours, high heat and cook until reduced by half. Use immediately or cool and refrigerate. Stock can be frozen for up to six months.

District 4-H Communication Arts contest held

The 2010 District 4-H Communication Arts Contest was held June 8 at Centennial Elementary School, Fargo. Approximately 40 youth from Cass, Richland, and Traill counties participated in the contest.

This event included youth giving presentations in the following categories: Demonstrations, Illustrated Talk, Public Speaking, Interpretive Reading, Dramatic Presentation, Short Takes and Commercials.

Sponsors for the North Dakota 4-H Communication Arts Program are ND 4-H Foundation, ND Beef Commission, Cenex Harvest States Foundation, and ND Rural Electric Cooperatives: Cavalier Rural Electric Co-op, Inc., KEM Electric Co-op, Inc., Northern Plains Electric Co-op, Slope Electric, Verendrye Electric Co-op, Inc., Cass County Electric Co-op, Inc. Service Foundation.

Maxine J. Nordick, Extension Agent/4-H Youth for Cass County coordinated the 4-H District Communications Arts even.

"This event helps young people to build self-confidence, poise and good communication skills. It's encouraging to see so many young members participating so enthusiastically."

Judges for the event were: Greg Webster, Hillsboro; Karen Speten, Christine; Rachelle Vetter, Leadership & Volunteer Specialist with the NDSU Center for 4-H Youth Development; and Rita Ussatis, NDSU/Cass County Extension Agent. Assisting with the event were: Ken Nichols, NDSU/Traill County Extension Agent; Deb Evenson, Administrative Assistant, NDSU/Richland County Extension; Therese & Nick Weber, ND 4-H Ambassadors from Richland County; Sara Clemens,

Cass County participants in the District 4-H Communication Arts contest were (back from left) Kalleen Krueger, Adin Enockson, Sarah Dodge, Sheyenne Freitag, Ashley Stoppleworth, (middle) Zoe Alvarez, Arianna Alvarez, Bryce Langerud, Talia Dalzell, Naomi Danielson, (front) Mikayla Dodge, Harshita Gaba and Anna Stoppleworth.

NDSU/Cass County intern; and Jennifer Manstrom, volunteer from Richland County.

Local youth who received top honors included the following:

MPU5 COMMUNICATION ARTS CONTEST RESULTS

Black Stockings win Valley City Tourney

The Casselton Black Stockings Babe Ruth baseball team brought home the Championship from the Valley City Tournament held Friday-Sunday, June 18, 19 and 20.

The Black Stockings opened the tournament with a hard fought, 11-inning, 10-9 victory over Dakota Prairie.

Casselton scored three quick runs in the top of the first inning, only to have Dakota Prairie score four in their half of the first to hold a 4-3 lead.

Dakota Prairie added a single run in the fourth to extend their lead to 5-3.

Casselton took the lead back in the top of the sixth scoring three runs, but Dakota Prairie rebounded for two in the bottom half of the inning to take a 7-6 lead into the final inning.

Casselton was able to force extra innings when Ellery Bresnahan walked, Mitch Scheer was hit by a pitch and Bresnahan stole third and scored on a sacrifice fly by Connor Rieniets.

The Black Stockings scored a pair of runs in the tenth inning to

hold a 9-7 advantage, but Dakota Prairie wouldn't give in and scored a pair of their own runs to keep the marathon going.

The Black Stockings' Chad Rehovsky singled in the 11th, stole second and third, and scored on a single by Ryan Nelson for a 10-9 lead.

Ellery Bresnahan shut down Dakota Prairie in their half of the 11th for the win.

Chad Rehovsky led the Black Stockings offense with three hits, while Ryan Nelson and Ellery Bresnahan each added two.

Ross Radermacher pitched the first six innings for Casselton striking out seven Dakota Prairie hitters. Ellery Bresnahan pitched the final five innings, recording 12 strikeouts and allowing just two runs.

Casselton then defeated Oakes 8-0 in four innings to advance to the championship game.

The Black Stockings scored four runs in the first and added four in the fourth to complete the game.

Garrett Ebach had a strong outing on the mound, facing only 16 batters in the four inning contest.

Ebach had five strikeouts allow-

ing just three hits, while walking one batter.

Chad Rehovsky had a pair of hits for Casselton, while Ross Radermacher scored twice.

Casselton faced rival Northern Cass in the championship game, a team they had split with earlier in the year.

Ross Radermacher opened the game with a single and later came around to score giving Casselton a 1-0 lead.

Casselton added two more in the third when Ellery Bresnahan doubled and scored on a single by Mitch Scheer. Scheer later scored on a double by Connor Rieniets.

The Black Stockings added four more in the fourth on back-to-back two-run doubles by Garrett Ebach and Bresnahan.

Casselton extended the lead to 8-0 in the fifth to finish the game.

Connor Rieniets went the distance for Casselton striking out six and walking four in the shut out.

Ellery Bresnahan led the offense with two hits.

Casselton splits with Central Valley-Hillsboro

Brandon Rust threw a one-hitter as the Casselton Legion shut down Central Valley-Hillsboro 10-0 in six innings Monday, June 21 in Casselton.

Rust also recorded 12 strikeouts in the contest.

Central Valley-Hillsboro came back to take the night cap 8-2.

Casselton took a 2-0 lead in the second after Jalen Ham doubled to right center and Zach Prante followed with a run scoring single. Prante later scored on a passed ball.

Casselton extended their lead to 3-0 in the third after Jack Wilcox singled and later scored on a Central Valley-Hillsboro error.

Casselton broke the game open in the fifth, sending nine batters to the plate and scoring four more runs.

Brandon Rust led off the inning with a solo shot left to field. Jacob Mogen, Mike Rose, Alex Jacobson and Zach Prante all added singles in the inning for Casselton.

Casselton added two more runs in the sixth to end the game by the 10-run rule.

Jacob Mogen, Jack Wilcox and Zach Prante all had two hits to lead the Casselton offense.

"Brandon gave us a great outing on the mound tonight," said Head Coach Scott Radloff. "They had runners on third in both the second and third innings and he came up with some big strikeouts."

Central Valley-Hillsboro opened the second game scoring three runs

in the top of the first inning.

The lead was extended to 5-0 in the top of the third.

Casselton finally got on the board in the bottom half of the third when Zach Buntrock singled and went to third on a double by Jacob Holm. Buntrock later scored on a sacrifice fly by Drew Nicklay.

Casselton added one more in the fourth when Josh Roesler was hit by a pitch and later scored on a Central Valley-Hillsboro error to cut the lead to 5-2.

Central Valley-Hillsboro added three in the top of the fifth to extend their lead to 8-2.

Casselton left the bases loaded in the bottom of the fifth for the fourth time in the game.

Casselton left 14 runners on base in the five inning contest.

"We had our chances, but couldn't come up with the big hit when we needed it," stated Radloff.

Casselton is now 10-3 on the season and 3-1 in Section 3 play.

Photo By Randy Buntrock / The Reporter
Casselton's Beau Sinner takes the throw at first to get Central Valley-Hillsboro's Zach Siewart by a step.

Horn Frogs sweep Flyers in season opener

The Hope-Finley legion team used the effective pitching of newcomer Cody Rahlf and Taylor Foss to sweep the Hatton Flyers by the scores of 11-1 and 10-2 in the season opener.

Rahlf allowed only two hits and struck out six in the first game, while teammate Foss tossed three perfect innings in game two to get the win.

Preston Burchill had two hits and three runs batted in to lead the Horn Frog hitting attack in game one. Jalen Hashbarger had two hits and three runs batted in in game two. Teammates Eric Parkman, Ryne Midstokke and Cody Rahlf

also had two hits each.

Expos slug out a pair of wins over Horn Frogs

The Fargo Expos brought out their hitting shoes and slugged out a pair of wins over the Hope-Finley Horn Frogs by the scores of 14-4 and 11-0 in non-region play. With the losses, the Horn Frogs fall 2-2 on the young season.

The Expos scored three runs in the first and second innings to take a quick 6-0 lead. The Horn Frogs scored a pair of unearned runs in the bottom of the second and two more in the bottom of the third to cut the lead to 6-4. But the rally was

short-lived, as the Expos scored five runs in the top of the fourth and three more in the fifth to earn the 14-4 win. In game two, the Expos put up an eight spot in the top of the first to put the game out of reach real early, with the final score being 11-0 in three innings.

"Give credit to the Expos for their fine hitting display tonight," said coach Mark Frost. "They hit the ball well up and down the line up. We didn't help ourselves with our walks and sloppy play in the field. We also need all our players there to be at full strength."

Out of Bounds

by Stephen Bartholomay

Here's what's on the desk this week. I was already two days behind when I started writing this column Monday morning. If it would stop raining and the grass would stop growing, we could re-evaluate, read-just and reload.

Until then, hang on: Make-up Games and More Make-up Games: It rains every Tuesday and Thursday, which, like I said, is good for the grass but not so good for our baseball and softball schedules.

I'm not exactly sure how many Pee Wee and Rookie baseball games we need to reschedule, but it's a bunch. I don't worry about our in-town games, Cubs vs. Reds, Rockies vs. Cubs, etc. We can play those on a practice day, a Monday, Wednesday or on a Friday like we did with the Reds and Rockies last week.

We'll also need to use some Sunday afternoons as well, including the upcoming one, June 27, when our Squirts, our Reds and the 13-year-old Babe Ruth Titans will travel to Kindred and re-do games missed earlier this summer.

Pray it doesn't rain . . . If it rains in Casselton, Will We Still Have Games in Fargo?

Somebody actually asked me that question a week or so ago. It's like a mom a few years back who called me at city hall and asked me if it was raining in Arthur. I'm not the sharpest tool in the shed but I have a hard

time with that kind of logic.

All kidding aside, we're actually in much better shape on the softball side. Kelsey Smith's U12 girls missed a game last Tuesday and Heidi Zimmerman's 10 and under team lost one on Thursday, which figures because it rains every Tuesday and Thursday.

Pat Johnson, who runs the West Fargo girls' fastpitch summer league, says he wants to try and reschedule games that get rained out. He has space available at Mickelson Field on Friday nights and Sundays, so if those makeup games come together, they will likely happen on one of those two days. I'll tell our coaches to be ready and be flexible. Parents will need to be, too.

T-Ball, Anyone?

Every so often, a parent will ask me if we could schedule T-Ball games with other communities. Evidently, towns like Mapleton, Leonard, Davenport and Arthur travel with their T-Ball teams.

My answer? No.

There are a number of reasons, a few of which actually make sense. In no particular order, here they are: Lack of diamond space. Shortage of coaching assistance. Not enough time in the day.

Need some more? Ok, here's another one. T-Ball games can be counterproductive. We have 5 and 6-year-old kids who aren't sure which

hand the glove is supposed to go on. How can they be ready for any type of game action?

I've always believed that our T-Ball kids need to learn as much about the fundamentals as they can in a practice setting. Games get to be too much yelling and screaming and not enough listening and learning.

You can still sign up for Penny and Pals. We've got space left in our annual Penny & Pals summer music education workshop, so if you want to register your 6, 7, 8, 9 or 10-year-old, there's still time.

Penny Andrist will bring her nationally-recognized workshop to Casselton for a week of practices Monday through Friday, July 19-23. The week will culminate with a performance in Governors' Park on Summerfest Saturday, July 24.

Lap Swimming Started Already: By the time most of you read this, we already had one session of adult lap swimming.

My wife Denise needs to train for yet another all-consuming test of her femalehood, a mini-triathlon in Fergus Falls at the end of July.

She needs to swim so she figures anyone else who wants to can join her. Adults (18 and above) with family memberships can lap swim for free; it will cost all the rest of you per session.

Casselton Legion claims Grafton tourney title

The Casselton Legion put together three strong outings to claim the championship of the Grafton Tournament held June 18, 19 and 20.

Casselton opened up the tournament with a 7-5 victory over Bottineau followed by an 11-7 victory over LaMoire.

Casselton then finished the tournament downing host Grafton 10-3.

"Our pitching was very solid," stated Head Coach Scott Radloff. "We were able to jump out to big leads early against LaMoire and Grafton."

Casselton 7, Bottineau 5

Casselton's Alex Jacobson and Bottineau's Andy Erickson held both teams offenses in check for the first five innings of play.

Casselton was able to score a lone run in the second inning when Sam Schumacher singled and later scored on a Bottineau error.

Casselton maintained their slim 1-0 lead after five innings.

Casselton sent 12 batters to the plate in the top of the sixth, resulting in six runs to increase their advantage to 7-0.

Bottineau was able to put up a single run in the bottom of the sixth to cut the Casselton lead to 7-1.

Bottineau mounted a rally in the bottom of the seventh scoring four runs, but Casselton's Brandon Rust came on to record the final out and get the save, striking out Logan Mil-

lican. Sam Schumacher led the Casselton offense with a pair of hits and scoring two runs. Mark Lacroix had a pair of hits for Bottineau.

Alex Jacobson struck out eight Bottineau batters while scattering seven hits and giving up three earned runs.

Jacobson was also named the "player of the game."

Casselton 11, LaMoire 7

Casselton scored four runs in the bottom of the first inning to jump out to a 4-0 lead.

Mike Rose had the big blow in the inning hitting a bases loaded double to clear the bases. Rose later scored on a double by Jalen Ham.

LaMoire answered back in the top of the second scoring three runs to trail by a single run 4-3.

Casselton extended the lead back to four, 7-3, in the bottom half of the inning. Jack Wilcox had a key two run single for Casselton scoring Beau Sinner and Brandon Rust.

Casselton stretched their lead to 11-3 in the bottom of the third.

LaMoire was able to put a pair of runs on the board in both the fifth and sixth inning to cut the Casselton lead to 11-7.

Brandon Rust came on and recorded the final out after a pair of LaMoire singles in the top of the seventh.

Mike Rose, Jacob Mogen and Jack

Wilcox led the Casselton offense with two hits each. Rose knocked in four runs, while Wilcox added three. Mogen scored three times for Casselton.

Sam Schumacher, "player of the game," recorded five strikeouts, while allowing five earned runs.

Casselton 10, Grafton 3

Casselton scored two early runs in the top of the first and added five more in the second to jump out to an early 7-0 lead.

Casselton added three more in the top of the fifth, with Jacob Mogen's two run triple being the key hit in the inning. Mogen later scored on a single by Mike Rose.

Grafton scored a single run in their half of the fifth and added two more in the sixth to make the final score 10-3.

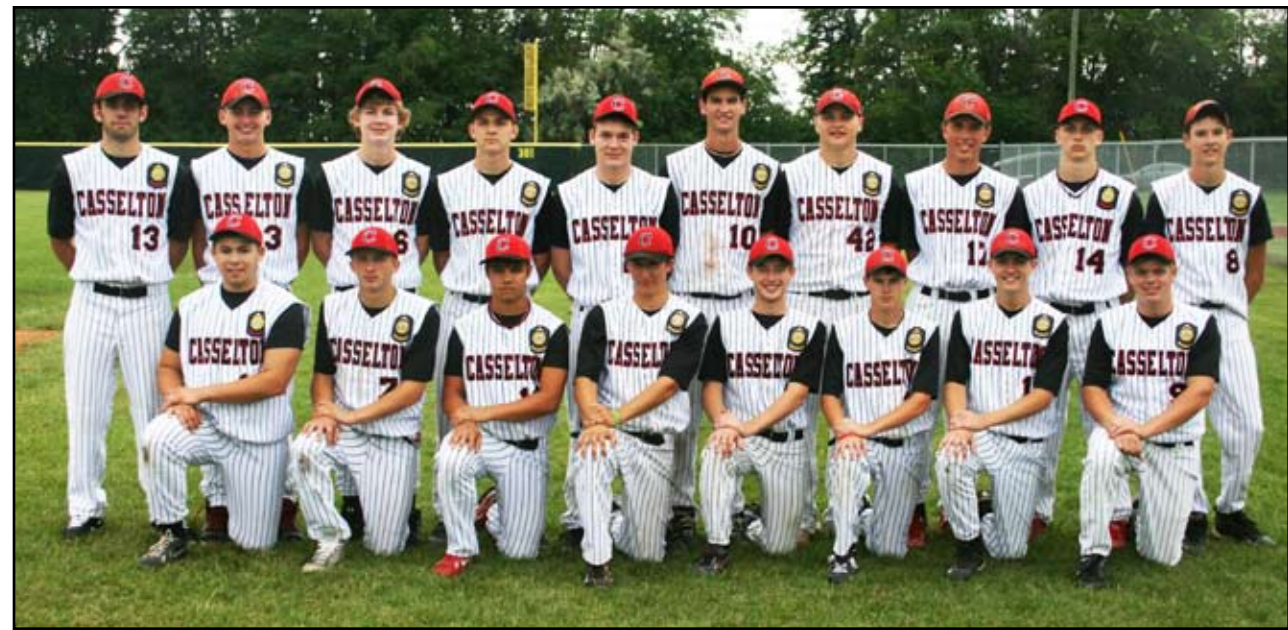

Mike Rose went six innings with three strikeouts to earn the win.

Rose also went 3-4 from the plate and was named the "player of the game."

Jacob Mogen was also 3-4 with a double and a triple. Mogen, Sam Schumacher and Alex Jacobson all knocked in three runs for Casselton.

Jacob Mogen and Mike Rose went 6-10 and were the leading hitters during the tournament for Casselton.

Casselton is now 9-2 on the season and 2-1 in Section 3 play.

Members of the Casselton Legion team that won the Grafton Tournament are (back row, left to right) Sam Schumacher, Jon Lubbers, Nick Wilcox, Alex Jacobson, Jack Wilcox, Beau Sinner, Mike Rose, Josh Roesler, Jalen Ham, Beron Sinner; (front row) John Baumgarten, Jacob Mogen, Drew Nicklay, Brandon Rust, Zach Prante, Zach Buntrock, Jacob Holm and Shawn Erickson. Not pictured is Matt Swanson.

Gardner Express downs Casselton

Photo By Randy Buntrock / The Reporter
Express starter Tanner Flom got the 14-11 win for Gardner over Casselton at Northern Cass Monday, June 15.

The Gardner Express and Casselton Legion took advantage of their opponents mistakes scoring a combined 25 runs. Gardner came out on the top end of the 14-11 contest.

Gardner allowed five earned runs and Casselton just one in the mistake filled contest.

Casselton came on to win the second game 4-1 in a game that was shortened to four innings due to darkness.

Gardner scored four runs on a grand slam home run by Ben Hudson after the three previous batters had reached on Casselton miscues.

Casselton was able to cut the Gardner lead in half, 4-2, in the top of the second.

The Express came right back with three in the bottom of the second to make the score 7-2.

Gardner added five more in the third to extend their advantage to 12-2.

Express starter Tanner Flom held Casselton in check for the first three innings, but walks and fielding mistakes by his teammates allowed Casselton to put eight runs on the board in the top of the fourth to get right back into the game 12-10.

Jalen Ham came up with the big blow in the inning hitting a bases loaded triple.

John Tandsater came on for Gardner and shut down the Casselton threat, allowing just one run in

the final two innings.

Tanner Flom got the win for the Express, while John Tandsater recorded the save.

Mike Rose suffered the loss for Casselton.

Tucker McPherson led the Gardner offense with three hits, while Alex Jacobson led Casselton with a pair of hits.

Jacob Mogen led off game two with a single for Casselton and advanced to second on a balk, third on a passed ball and scored on a Mike Rose sacrifice fly to give Casselton

the 1-0 advantage.

Casselton used four singles and an Express error to add three more runs in the top of the third for a 4-0 advantage.

Gardner was able to add a single run in the bottom of the fourth to make the final score 4-1.

Jacob Holm earned the win for Casselton allowing just one earned run on one hit and striking out two while walking just one.

Banyon Puhrr suffered the loss for Gardner.

Joel and Jerrin Baumgarten prepare for international tourney

By Sarah Sorvaag

A life-long passion for bowling has earned Joel Baumgarten and his nine-year-old son the opportunity to compete in the QubicaAMF International Family Tournament International Finals in Euless, Texas.

Joel and his wife, Erin, have instilled in their children, John, Jerrin, Gracie and even three-year-old Jaylen, a tremendous passion for sports. Other activities the family enjoys include golfing, playing baseball and softball, wrestling, playing football, and participating in the Boy Scouts and Girls Scouts.

Bowling continues to be one of the family's favorite pastimes, especially since Joel and Jerrin took first place in the state bowling tournament and are now Texas-bound.

"I love the fact that bowling is a sport for any age, making it something we can do as a family," Joel said. "I actually bowled in this same tourney when I was younger with my dad. We ended up taking third place and earning a \$250 scholarship."

Jerrin agreed that the family-friendly sport provides an opportunity for growth as an individual competitor and quality time with loved ones.

"It encourages kids to stay active and work as a team. By myself, I like to see improvement each time," Jerrin stated.

Joel joined The Vets Club's Saturday morning bowling program as a kindergartner. With the exception

of two years in college, Joel has competed in a bowling league every year since. Fueled by a great interest in the sport, Joel saw the local bowling alley as a great place to spend time with his family.

"Jerrin first started bowling on a league as soon as he was eligible, which was in first grade. He has been at the bowling alley literally since he was born. Erin and I used to bowl in a mixed doubles league following his birth," Joel stated.

The 2010 state qualifier was held February 28 at Red River Lanes, Fargo. Jerrin had a league average of 75 this season. At the state qualifier, he bowled a 69, 107, and 88 for a 264 series. Joel bowled a 216, 203, and 148 for a 567 series, which was three pins over his season average.

"With those two series, we also added handicap into the equation of 546 for a total of 1377," Joel said.

On April 24, Joel and Jerrin competed in the state tourney at Paragon Lanes, Dickinson. Jerrin bowled a 94, 86, and 53 for a 233. Joel added a 180, 218, and 200 for a 598. Including a 537 handicap, the two finished with a score of 1368.

The two anxiously waited to learn if they qualified for the international tournament.

"We checked Paragon's web site weekly at a minimum to follow the competition. As each week passed, the excitement grew. We didn't officially find out we won until a week or so ago via the entry packet we received," Joel said.

"It feels wonderful to win, seeing how we bowled the first shift of both tourneys. We had to wait a month for the final results before we found out that we made it. We really bowled like a team," Joel said. "When I was down, he picked me up and vice versa."

"It felt good being this was the first tournament my dad and I bowled in," Jerrin explained. "It was fun to bowl with him and get to go all of these new places. I am really excited to go to Six Flags in Texas when we go, since that was part of the prize we won."

Another exciting aspect of the international tourney will be watching professional bowlers partake in a trick shot competition. Joel looks forward to bowling alongside his son during this one-of-a-kind experience.

"It will be even more rewarding just competing with one of my sons on a stage of that level. I look forward to seeing the look on Jerrin's face when we arrive at the lanes and also during the Parade of Champions," Joel said.

Joel, Erin, Jerrin, and Gracie will attend the tournament. The couple's youngest son, Jaylen, will remain in the Casselton area to cheer on big brother John and the Casselton Legion Baseball team at the state tourney in Grafton, if they qualify.

When it comes to advice, Joel suggests beginning bowlers remain positive throughout.

"The one thing that I would relay

Local participants in the February 28 Red River Lanes state qualifier were (back, left to right) Joel Baumgarten, Colleen Baumgarten, Dan Baumgarten, (front) Jerrin Baumgarten, Bethany Corcoran, and Parker Stone. Joel and Jerrin, Colleen and Bethany moved on to the state tournament in Dickinson at Paragon Lanes in March.

to others would be to relax and don't put too much pressure on yourself. Just take it one ball at a time," he said.

Joel and Jerrin won the State Youth/Parent category at state and

received a prize package to compete in the International Youth/Adult tournament in Euless, Texas July 29-31. The event is sponsored by Georgia Coffee and Bowling Proprietors Association of America.

The first two rounds of match play begin Friday, July 30. Finals are scheduled for Saturday, along with the scholarship awards banquet in the evening.

Courtesy Photo

Casselton team wins Red Willow tourney

In a couple of close nail-biting games, the Casselton Rookies team beat Dakota Prairie 4-3, scoring the winning run in the bottom of the fifth. They then beat Cooperstown 2-1 in extra innings. In the championship game, they beat defending champions Walsh County, 6-2. Tournament MVP selected by the umpires and coaches was Andrew Jahnke, with Garret Prante also in the running for the award.

Team members pictured above are (front, left to right) Andrew Roden, Andrew Jahnke, Garret Prante, Tate Camas, Bryce Giermann, (back) Coach Jack Haines, Max Farquhar, Dillon Haines, Michael Ueland, Tyler Schneider, Justin Dekeyser, and Coach Jay Prante.

Golf Briefs

Teams bunched up in golf league

It's still a tight race in both divisions of the men's golf league at Casselton's Cottonwood Golf Club. Jay's Boys (Jay Prante, Jared Arneson, Steve Rust and Ken Swanson) and the Blue Boys (Marc Hackmann, Nick Pyle, John Kollman and Dan Baumgarten) share the lead in the Ken Toop Division with 24 points apiece, while the Red Hot Chili Dippers (Ryan Toop, Justin Fletschock, Jon Dickson and Ryan Mears) are tops in the Brad Burgum Division with 24-1/2 points - a half-point better than the Bushwhackers (Ted Chizek, Scott Radloff, Darin Eller and Scott Kost).

Teammates Marc Hackmann and Nick Pyle, along with Brady Madsen, fired the low rounds of the evening during play June 15, all coming in at 38, while Bob Weber and Ross Nelson each had a 39.

Randy Buntrock claimed the prize for putting his tee shot closest to the pin on the second hole.

Triple event golf tourney scheduled

There's still time to pre-register for the Two-Person Triple Event golf tournament scheduled Sunday, June 27, at the Cottonwood Golf Club in Casselton.

Registration will get underway at 8 a.m. on Sunday, with play beginning at 9 a.m. in a shotgun start. The two-person teams participating in the event will play nine holes of scramble golf, nine holes of best ball and nine holes of alternate shot.

The registration fee includes golf, prizes and a meal following play. Rental carts are extra. Special prizes for on-course events will also be offered.

Interested golfers can call 347-9882 for further information. A signup sheet is also posted at the clubhouse.

Couples Night golf event planned

Registrations are now being accepted for another Couples Night golf event to be held Friday, June 25, at the Cottonwood Golf Club in Casselton.

All area golfers are invited to come out and join the fun, with the only stipulation being that teams be made up of one male and one female golfer. Play will begin with a shotgun start at 6:15 p.m., with a meal to follow.

Interested golfers can call 347-9882 to register. A sign-up sheet is posted at the clubhouse.

Local youth compete in Valley City run

Four local youth had a busy day in Valley City Saturday, June 15.

Michael Utt, son of Tim and Pam Utt, and grandson of Mike Utt, and cousins Kyle, Bryce and Jacob Giermann, sons of David and Kim Giermann and grandsons of Utt and Don and Karen Giermann, all participated in the 29th Annual Bill Jansen Road Race.

Michael Utt finished first overall

in the 5K race, almost a full minute better than runner-up Casey Engelhard, Valley City. Utt ran the race in 18:52, while his cousin Kyle Giermann finished in third in the 16-18 age group with a time of 28:56.

Brothers Bryce and Jacob Giermann ran in the 12 and under one-mile run and Bryce finished third with a time of 8:37, while Jacob was fifth with 8:55. Nathan Johnson,

Valley City won the event running the mile in 6:54.

In addition Kalyn Botz, Valley City, aunt of the four boys and daughter of Mike Utt, ran the 10K Women's Open and finished in seventh place with a time of 49:30. Botz's goal was to complete the run in under 55 minutes.

Roesler, Buntrock win Optimists junior tourney

Kamie Roesler and Zach Buntrock claimed the top honors in the Junior Optimist golf tournament Monday, June 21 held at the Cottonwood Golf Club.

The two will compete in the District tournament to be held at the St. Cloud Country Club Monday, June 28.

The top six in both the boys and girls divisions will earn the right to compete at the Optimist International Junior Golf Championships July 27-August 1 in Florida.

Kamie Roesler shot a 41 on the front nine and followed that with a 38 to finish the 18-hole event with a 79.

Zach Buntrock completed the front nine with a 3-under par 33. Buntrock shot a 43 on the back nine to finish with a 76.

Trina Steen claimed the title in the girls 14-15 year old division with a 146. Garrett Ebach claimed the boys division with an 85, one stroke better than Connor Rieniet's 86. Todd Dent finished third shooting 95.

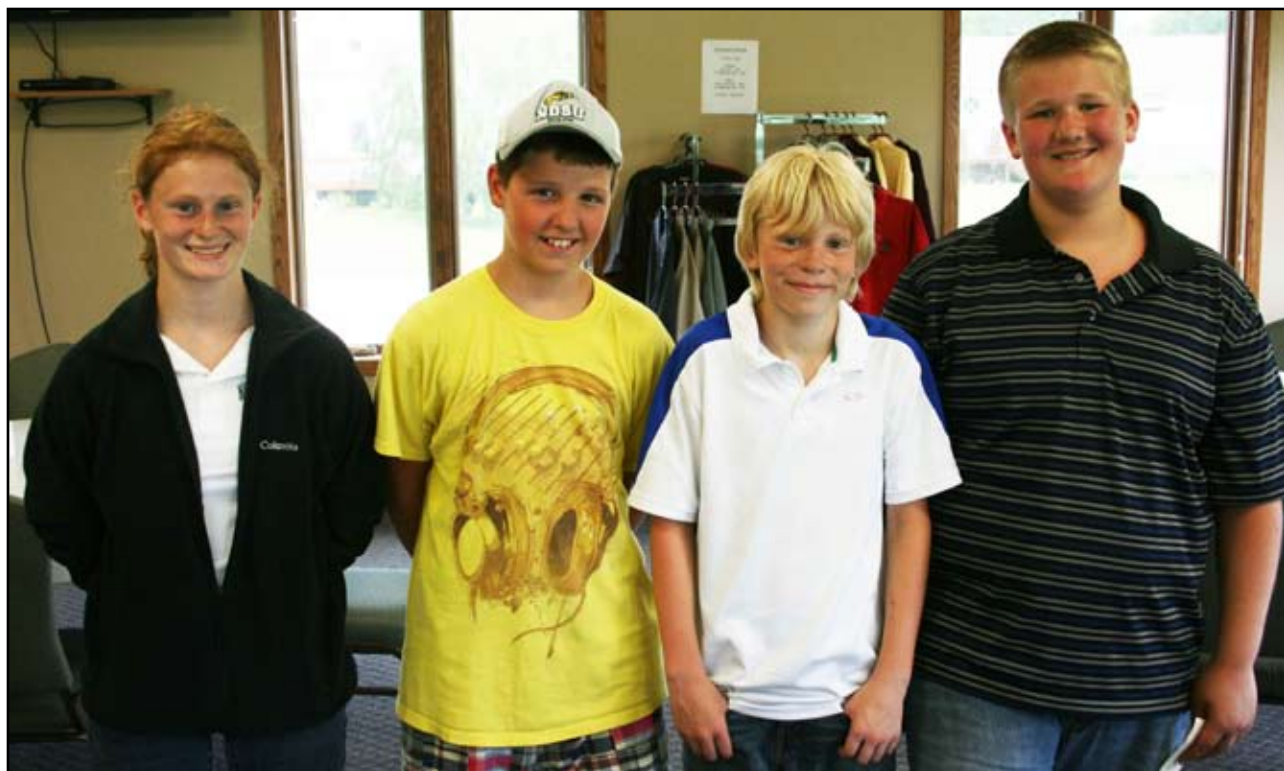

Riley Kollman shot the low score in the boys 12-13 division firing a 18-hole total of 97. Jared Steen finished second with 109 and Devin Roesler third shooting 156.

Zach Buntrock (left) and Kamie Roesler won the Junior Optimists golf tournament held at Cottonwood Golf Club. The two will move on to the district tournament Monday, June 28 in St. Cloud.

The top finishers in the boys 14-15 year old division were: (left to right) Garrett Ebach, first; Connor Rieniet, second; and Todd Dent, third.

Trina Steen (left) won the girls 14-15 year old division. Riley Kollman (second from left) claimed top honors in the 12-13 boys, while Jared Steen (second from right) finished second and Devin Roesler (right) finished in third.

Cottonwood hosts Bison Social

North Dakota State University alumni, students, and fans of all ages are welcome to attend the Bison Social Wednesday, June 23 at the Cottonwood Golf Course, Casselton.

The schedule of events includes a social at 5:30 p.m., followed by a barbecue dinner at 6:30 p.m. Attendees can golf at Cottonwood throughout the afternoon.

NDSU athletic coaches and staff will be available to speak with pro-

spective students and fans alike about Bison sports and academics. Bison coaches and supporters will begin golfing at 2 p.m.

Scott and Stacey Cramer, event coordinators, hope this event helps the community develop a better understanding of NDSU's athletic opportunities. NDSU Bison Team-maker community members have also helped plan the social.

For more information, please contact Cramer at 347-4254.

NDSU sets precision agriculture demonstrations with field day tours

The North Dakota State University Extension Service has scheduled Precision Agriculture Expos in conjunction with the NDSU Research Extension Center field day tours July 12 at Casselton and July 14 at Dickinson.

The exhibitors, field demonstrations and educational presentations will be different at the two expos. The Casselton expo will focus on precision agriculture applications for the predominant row crops grown in eastern North Dakota, while the Dickinson expo will include information and demonstrations relating to both crop and livestock applications.

Scheduled field demonstrations at the Casselton expo include AGPS Ditch Pro and AGPS PipeFM software programs used to create surface or tile drainage designs. These software programs are used to design surface and subsurface ditches and provide an automated control while ditching.

A unique field demonstration scheduled at the Dickinson expo is the ProID bale tagger, which is a precision information add-on system for hay balers. It stores bale information collected during the baling and preservative application process and uses this information to create a unique profile of individual bales. Air seeder carts capable of varying fertilizer rates and an ultrahigh frequency cattle tagging system also will be demonstrated.

Field demonstrations scheduled at both expos include tractor global positioning system guidance, satellite imagery delivered on cell phones, section controls on sprayers, row controls on planters, zone command and interstubble row seeding technology on air seeders. Zone command is a new application of control that turns sections of air seeders on and off when operating in areas that already are planted or outside of the field boundaries. Interstubble row seeding technology is used on air seeders to plant between the previous year's stubble rows.

The events at both locations will begin with the regular field day crop plot tours from 9 a.m. to noon. The tours include reports by various

NDSU research scientists.

More information about the Casselton field day tour is available at <http://www.ag.ndsu.nodak.edu/casselton/> and the Dickinson tour at <http://www.ag.ndsu.nodak.edu/dickinson/>. The precision agriculture expos will follow lunch with educational presentations from 12:30 to 2 p.m. Indoor and outdoor exhibit areas will be open from 9 a.m. to 5 p.m. The Dickinson expo will include an evening meal served from 5 to 7 p.m. at the Dickinson Recreation Center at 2004 Fairway Street.

Registration forms and a registration form are available on the NDSU precision agriculture expo website at <http://www.ag.ndsu.edu/agmachinery>. The public also is invited to visit and contribute to the expo Facebook site at <http://www.facebook.com/pages/NDSU-Precision-Agriculture/110144575694517?ref=ts>. Expo organizers encourage people to join the discussion groups on Facebook to provide input into planning the events and activities for the expos.

People interested in attending the expos are encouraged to register. Only people who register by July 5 will be eligible for door prizes. Those who register will receive regular updates about the activities planned at the expos.

For more information, contact John Nowatzki at (701) 231-8213 or by e-mail at john.nowatzki@ndsu.edu. Those in western North Dakota can contact Roger Ashley at the Dickinson Research Extension Center by telephone at (701) 483-2348, ext. 106, or by e-mail at roger.ashley@ndsu.edu.

Pulse tour set for July 8 in Carrington

Farmers, crop advisers and agricultural industry representatives are invited to attend a pulse crop tour scheduled for Thursday, July 8, at the North Dakota State University Carrington Research Extension Center.

The tour will begin at 9 a.m. and conclude at noon. The event is sponsored by NDSU, Northern Pulse Growers Association and pulse agribusinesses.

Those attending the tour will hear presentations and be able to view research trials on field pea production topics including variety performance, weed and disease management, and options using peas as a cover crop.

The tour will include a visit to the Carrington center's livestock unit to discuss feeding peas to beef cattle. In addition, association and industry representatives will talk about pulse prices and markets.

Carrington center speakers include agronomists Greg Endres, Yvonne Lawley and Blaine Schatz; Michael Wunsch, plant pathologist; and Vern Anderson, animal scientist. Other invited speakers from NDSU include Kevin McPhee, pulse breeder, and plant pathologists Sam Markell and Rubella Goswami.

Refreshments will be available and a sponsored meal will be served after the tour.

Additional information about the tour is available from the Carrington REC at (701) 652-2951 or at www.ag.ndsu.nodak.edu/carringt/. More information also is available from the Northern Pulse Growers Association at (701) 222-0128.

Renaissance zone - basics discussed: different features, opportunity to fix up older buildings, can redesign an existing cities plan and adopt for Mapleton. Cost - P & Z and office can do ground work, attorney to assist and review. Can increase sales tax revenue for city - Base, five year tax exemption, not a TIF (cannot have both). Qualifying improvements - both residential and commercial. Some requirements.

Antennas - Water Tower - still negotiating, possible income of \$600-700 per month.

City Engineer: Brandon and Kent - City 11 Project 2009-1: Bid opening May 14 (10:00), contract date June 7 (set by CDIG), completion Nov. 2011. Will have designated meetings and meet with residents prior to inform.

River bank slumping: Kent - looking for

cost share - wait for PAL letter/agreement from FEMA.

New/Pending Items: McDermott letter - no action taken to sell city property by lift and gas shelter. Energy Grant Center - needs revised and resubmitted - Mark. No numbers on electrical. Weight restrictions city roads normal - five ton. City option to set ordinance and construct signage.

Accountant: Harold - addressed SRF reserve requirements. Options: half sales tax option if passed, Raise rates or other options if not passed. Sacrificing long term for short term - pay higher price. Residents concern cutting expenses. Match budget to spending. Auditor to establish specific SRF reserve fund (money cannot be taken out). Motion Pederson, transfer \$5,000. from current water tower reserve to specific SRF reserve, second Dell. RCVM/C.

City Staff Reports - auditor - window fixed \$315.00, public works - gravel and blade update. Motion Dell, allow Dan Holland to blade city roads, except golf course road, second Pederson. RCVM/C.

Council - Graf - Reviewed information from comparable cities - shaping Mapleton - conformity and priorities - benefits and costs - water certification backup (Hugo in process)- job lists and suggestions followed.

Asphalt roads are bad and man holes heaving. Removal of sandbags.

Pipes water loss very good - averages six percent.

Informational Red River diversion meeting - Casselton Tues. 25 (7:00 - Casselton)

Proposed meeting - Engineer - Tues. 18 at 5:00 p.m. contingent on council.

Upcoming meetings
P & Z - June 1, 2010 - 7 p.m.
Election - June 8, 2010

School Board - June 6, 2010 - 5:30 p.m.
